

Take hwy 280 into Alexander City.

Pass the Wal-Mart through 280/hwy 63 intersection

Past McDonalds past rite-Aid,

Past Best Western, through the intersection of 280/Dean Rd.

Then you will come to Coven Abbett Hwy, no light here. (there is a brown boat ramp sign on 280)

At Coven Abbet Hwy Turn left back across 280

Go through a stop sign, across railroad tracks

There will be small white Church on the right and then you will see the brown 'Boat Ramp" state sign, turn to the ramp.

This is appx. 1 hour and 5 minutes from Greystone. Only two turns after you are on 280. One turn left at the Coven Abbett intersection then the turn at the boat ramp sign, simple!
